Sandra Carter, a certified nutritionist, health consultant and author has not just pumped out yet another “anti-TMJ program” into an already over-saturated market. Sandra's Tmj No More can be more accurately described as a “TMJ Bible.” It is quite simply one of the most comprehensive, complete, and precise guides to TMJ and bruxism freedom you will ever read.

What makes it so much different than other TMJ publications on the market?

Well first of all, it's not just a "TMJ relief" program, it's a [TMJ cure program](#). This may seem like semantics or wordplay at first, but once you've read just the first chapters, there will be no doubt in your mind that pursuing "TMJ relief" is not only the wrong goal, it may be the reason that you've failed to stop and maintain your 'TMJ free internal environment'. TMJ No More shows you exactly why you should fix the internal problem that's causing your TMJ, not just masking the symptoms or getting relief and then goes on to show you exactly how to do it.

Secondly, what makes TMJ No More different is the amount of attention that is paid to each and every element required to achieve permanent freedom from TMJ. TMJ No More not only thoroughly discusses the lies, myths and fallacies surrounding a very confusing subject, it is simply the most detailed ebook about TMJ, Bruxism and holistic health ever written.

The [TMJ No More ebook](#) is **quite extensive (150 pages of rock solid content)** which focuses on 100% natural TMJ treatment. That means there aren't recommendations for harsh prescription drugs with nasty side effects. In TMJ No More core formula section (The 3 step system) - Nothing is held back. In this section, Sandra gives a detailed overview of each step, and then dives into the specifics in a perfect chronological order. There are also outstanding charts and checklists which make it very easy to know where you are at in the program and follow it.

Because the [TMJ No More program](#) is not a quick fix 'fairy tale' cure but a complete holistic solution aimed at eliminating the root cause of TMJ and bruxism (regardless of their severity) and ensure your will

permanently be TMJ-free, it does take work and persistence to complete. “The dictionary is the only place success comes before work” says Sandra, as she emphasizes the “no quick fix” philosophy behind the entire ebook.

If there is any drawback to the TMJ No More ebook, it’s that it contains so much information, that some readers may find it a bit overwhelming. Those who are looking for a quick start type of TMJ program, might be a bit intimidated at first. The good part however, is that even these types of readers can feel confident and assured that it will be worth the effort because this will literally be the last guide they ever have to ever read on the subject.

“I have to tell you that the vast majority of my patients come back amazed with how much better they feel by following the instructions in your program..”

“Dear Sandra, I am a Swedish dentist and I recommend your book to all my patients who have TMJ . I have to tell you that the vast majority of my patients come back amazed with how much better they feel by

following the instructions in your program. While I am a firm believer in treating most chronic conditions using both conventional and natural medicine, the fact that your program helps TMJ patients without the need to take drugs or mouth guards is simply wonderful.

Keep us the good work, Sandra!”

– **Dr. Felix Gustavsson (Sweden)**

“I woke up much more energized and in significantly less pain after the first week. I am now totally free from TMJ and it’s all because of your simple step by step suggestions.”

“Hello Sandra, your program provided me with an immediate relief from the ongoing jaw pain and night bruxism. The broader view of TMJ that you have taken and implemented through your program has been far more effective than the approach taken by most dentists, surgeons and physicians. I cannot stress enough how the dietary recommendations and exercises alone have helped me very quickly to get rid of the pain and feel more relaxed. I woke up much more energized and in significantly less pain after the first week. I am now totally free from TMJ and it’s all because of your simple step by step suggestions.

Thank you so much...”
